READY SET MOVE is a creative movement and music class for toddlers from walking to 3 years of age, and their grown up. The class consists of 3 sections – ENGAGE, EXPLORE AND EXPRESS.

The **ENGAGE** section is a playful exploration of music, nursery rhymes, lap play and parachute fun.

The **EXPLORE** section is set up as a circuit around the room with obstacles like stepping stones, tunnels and sensory activities designed to encourage investigation and build coordination skills.

The **EXPRESS** section of the class involves free dance movement which develops creativity with instruments, feathers and bubbles.

FAQ'S

Can I watch my child's classes?

In our experience preschoolers are able to concentrate better without the distraction of other noise in the room from parents and other siblings. Our program has been endorsed by leading child care experts who support the independent learning model. As preschoolers participate in classes they have the opportunity to develop additional secure attachments with adults (teachers) and peers. This helps them transition positively into the larger world and helps with school readiness.

Having said that, a lot of children are timid at first and need to know that a parent is close by. Our program allows parents to watch the first class if necessary to help them adjust.

Are your teachers qualified?

All teachers have their Working with Children Check and follow the program that is endorsed by early learning experts. READY SET DANCE teachers are required to gain their accreditation from READY SET DANCE head office before delivering the program.

Do we need to purchase uniform and shoes?

Students must wear the READY SET DANCE uniform. However, we need to make sure we are the right fit for you and your child before committing to anything. Comfortable clothes and sneakers are fine for the first couple of lessons. Once your child has settled you can purchase the official READY SET DANCE uniform at reception which we are sure you will love.

What is watching day?

Watching day is where parents get to view their child dance as an audience in the classroom. It's a chance for your child to begin their first step to working on their performance skills.

If we miss a class can it be made up on another day of the week?

You may swap days during Terms 1, 2 and 3 if you miss a class (as long as the make up class is not full). In term 4, each class works on a different routine for the end-of-year concert, and it is too confusing for students to be swapping days. We do recommend that you avoid alternating days too much as preschoolers need the comfort of knowing that the same teacher and their friends will be there when they go to dancing.

Do you have an end of year concert?

An absolute highlight of the year is the end of year concert that Avenue D holds. It provides each student the opportunity to perform on stage! Participation in the concert is not compulsory, though most choose to take part. The end of year concert is such a special occasion and gives the little dancers the opportunity to bravely get up on stage to showcase what they have learned in class over the year! More details will be provided throughout the year.
